

Horse Trials report

The team

- Sara Bryant - College Diamond
- Christina Roskilly – Storm XIV
- Tamsin Stentiford – Beachwood
- Natasha Stentiford – Point Break II

Following the teams 2nd place at the area qualifier at Bishop Burton the team qualified to attend the Championships on the 8th and 9th August 09 at Aston Le walls. The weekend was eventful and very enjoyable lots of mud!! Due to heavy rain the day prior to the event. Unfortunately the roads and tracks were cut short and there was no steeplechase due to the ground conditions.

The team came 7th overall out of 31 teams, and we were all very pleased with the results

Individually Christina came 1st in her section a big round of applause was heard from the crowd when Christina was presented with her sash and rosette, obviously lots of Yorkshire support.

Attached are the overall results of the event.

Many thanks to Rosie Natasha and Tamsin's mum who was our dedicated helper for the weekend we could don't have managed without her, and to Natasha for all her photographs she took of the weekend.
